Free Membership Project

PAPER BASED FREE MEMBERSHIPS

1. Only young people (< 40 years of age) who are ALREADY ERA-EDTA members AND YNP members can receive this free ERA-EDTA membership.
2. A 1-year free membership will be given, automatically, to all young people who have submitted an accepted ORIGINAL OR REVIEW PUBLICATION in NDT or CKJ. This type of 1-year free membership can be received ONLY TWICE by the same person.
3. This free membership can be used for the current calendar year or the consecutive calendar year.
4. This free membership cannot be given to eligible winners who have already received a free membership by ERA-EDTA under another program for the current year.
5. Only the FIRST or CORRESPONDING/SENIOR/LAST AUTHOR can receive this free ERA-EDTA membership.
6. The member has to send the "pdf" form of her/his paper to the YNP (ynp@era-edta.org) in order to apply for this free membership.
7. Free memberships allow the winners to receive free access to NDT + CKJ online only thus they do not receive the print issue of the Journals (similarly to the Junior Membership).
8. No more than 20 free memberships can be given each calendar year, therefore no more than 20 applications will be supported each year.

DISCLAIMER: ERA-EDTA reserves the right to publish the names of the winners of this program (full name + country + title of article, when applicable) on the ERA-EDTA web-site.

Free Membership Project

CONGRESS BASED FREE MEMBERSHIPS

1. Only young people (< 40 years of age) who are ALREADY ERA-EDTA members AND YNP members can receive this free ERA-EDTA membership.
2. A 1-year free membership will be given, automatically, to the 30 young people who have submitted an accepted abstract to an ERA-EDTA Congress. This 1-year free membership obtained through this project can be received ONLY TWICE by the same person.
3. This free membership can be used for the current calendar year or the consecutive calendar year.
4. This free membership cannot be given to eligible winners who have already received a free membership by ERA-EDTA under another program for the current year.
5. Free memberships allow the winners to receive free access to NDT + CKJ online only, thus they do not receive the print issue of the Journals (similarly to the Junior Membership).
6. No more than 30 free memberships can be given each calendar year. The selection is based on the quality score of the abstract. The first best 30 abstracts should be selected. Each member has to indicate whether she/he wants to apply for this free membership project when she/he submits her/his abstract to the Congress. The authors of the best 30 accepted abstracts (based on the abstract's score) will be given this 1 year free membership.
