

# February 2018

## YOUNG FELLOWSHIP PROGRAMME CALL

### winners

#### Research Long Term Fellowships

**Dr. Anna Iervolino, RLTF 1593-2018**

**Fellowship title:** Identification of candidate miRNA biomarkers involved in Focal Segmental Glomerulosclerosis (FSGS) by using zebrafish model and in vivo multiphoton microscopy

**Provenance Institute:** Biogem s.c.a.r.l., Ariano Irpino (AV) -Italy-

**Receiving Institute:** Department of Anatomy and Cell Biology University Medicine, Greifswald -Germany-

**Dr. Monika Swiderska, RLTF 1586-2018**

**Fellowship title:** Identification of molecules enhancing endothelial regeneration and podocyte differentiation in diabetic nephropathy

**Provenance Institute:** Poznan University of Medical Sciences, Poznan -Poland-

**Receiving Institute:** Medizinische Klinik und Poliklinik IV, Munich -Germany-

**Dr. Carmen Herencia, RLTF 1547-2018**

**Fellowship title:** Identification of the pathogenic mechanisms responsible of macroscopic hematuria in IgA Nephropathy

**Provenance Institute:** Sanitary Research Institute-Fundación Jiménez Díaz (IIS-FJD), Madrid -Spain-

**Receiving Institute:** INSERM U1149, ELR8252 CNRS Paris Diderot University, Paris -France-

## Research Short Term Fellowships

**Dr. Janka Babickova, RSTF 1574-2018**

**Fellowship title:** Targeting Axl pathway to treat crescentic glomerulonephritis

**Provenance Institute:** University of Bergen, Bergen -Norway-

**Receiving Institute:** National Institute for Health and Medical Research Unité Mixte de Recherche, Tenon Hospital, Paris - France-

**Dr. Ian Logan, RSTF 1537-2018**

**Fellowship title:** Targeting Myofibroblast Precursor Cells in Chronic Kidney Disease

**Provenance Institute:** Institute of Cellular Medicine, The Medical School, Newcastle University, Newcastle upon Tyne - United Kingdom-

**Receiving Institute:** Kramann Laboratory, University Hospital RWTH Aachen, Aachen -Germany-

## Clinical Short Term Fellowships

### **Dr. Gvantsa Metskhvarishvili, CSTF 1627-2018**

**Fellowship title:** Selecting donors and recipients, assessing deceased and living donors, Setting for assessment of patients on arrival for a kidney transplant, selection of immunosuppressive regimens and acceptance/rejection of offers of deceased donor organs

**Provenance Institute:** The Clinical Centre for Development of Nephrology, Tbilisi -Georgia-

**Receiving Institute:** Glasgow Renal and Transplant Unit, Queen Elizabeth University, Glasgow -United Kingdom-

### **Dr. Olta Qurku, CSTF 1636-2018**

**Fellowship title:** Renal biopsy; renal pathology

**Provenance Institute:** Regional Hospital " Omer Nishani", Gjirokaster -Albania-

**Receiving Institute:** Klinikum Rechts der Isar, Technical University of Munich, Munich -Germany-

### **Dr. Oksana Ruzhytska, CSTF 1620-2018**

**Fellowship title:** Renal biopsy, renal ultrasound scanning in different CKD stages

**Provenance Institute:** I. Horbachevsky Ternopil State Medical University, Ternopil -Ukraine-

**Receiving Institute:** Fondazione IRCCS Ca' Granda Ospedale Maggiore Policlinico, Milano -Italy-

### **Dr. Ivana Dedinska, CSTF 1546-2018**

**Fellowship title:** ABOi and HLAi kidney transplantations, peritoneal dialysis, complex management of renal and transplant unit

**Provenance Institute:** University hospital, Martin, Slovakia

**Receiving Institute:** Guy`s & Thomas Hospital Foundation Trust, London -United Kingdom-

### **Dr. Vladimir Pushevski, CSTF 1588-2018**

**Fellowship title:** High-end ultrasound diagnostics ,Treatment of kidney transplanted patients, placement of long-term hemodialysis catheters

**Provenance Institute:** University clinic of nephrology, Skopje -F.Y.R. of Macedonia-

**Receiving Institute:** Klinikum Rechts der Isar , Technical University of Munich, Munich -Germany-

**Dr. Gunden Deger, CSTF 1534-2018**

**Fellowship title:** Renal transplantation, cross transplantation

**Provenance Institute:** Health Science University Bakırköy Education and Research Hospital, Istanbul -Turkey-

**Receiving Institute:** Fundació Puigvert, Barcelona -Spain-

**Dr. Arina Yespotayeva, CSTF 1562-2018**

**Fellowship title:** Renal pathology

**Provenance Institute:** Scientific Research Institute of Cardiology and Internal Diseases, Almaty -Kazakhstan-

**Receiving Institute:** Royal Preston Hospital, Preston -United Kingdom-
