

February 2016
YOUNG FELLOWSHIP PROGRAMME CALL
winners

Research Long Term Fellowships

Dr. Lidia Anguiano, RLTF 855-2016

Fellowship title: Role of CXCL12 inhibition on podocyte and its therapeutic window in diabetic nephropathy

Provenance Institute: Institut Hospital del Mar d'Investigacions Mèdiques, Barcelona -Spain-

Receiving Institute: Nephrologisches Zentrum der LMU research, Munich -Germany-

Research Short Term Fellowships

Dr. Katharina Artinger, RSTF 917-2016

Fellowship title: The role of the atypical chemokine receptor ACKR1 in experimental glomerulonephritis

Provenance Institute: Medical University of Graz, Graz -Austria-

Receiving Institute: University of York, York -United Kingdom-

Dr. Jovana Kusic, RSTF 852-2016

Fellowship title: Assessment and management of fluid overload in critically ill patients with acute kidney injury in the intensive care unit setting

Provenance Institute: Clinical Hospital Center Zemun, Belgrade -Serbia-

Receiving Institute: Guy's & St Thomas Hospital, London -United Kingdom-

Dr. Nina Hojs, RSTF 891-2016

Fellowship title: Progression of vascular structure and function in patients with CKD

Provenance Institute: University Medical Centre Maribor, Maribor -Slovenia-

Receiving Institute: St Georges Hospital, Tooting, London -United Kingdom-

Dr. Nuria Perretta, RSTF 829-2016

Fellowship title: Role of Cardiotrophin-1 in the progression of glomerulonephritis

Provenance Institute: Institute of Biomedical Research of Salamanca (IBSAL), Salamanca -Spain-

Receiving Institute: University College of London, London -United kingdom-

Clinical Short Term Fellowships

Dr. Nejra Prohic, CSTF 792-2016

Fellowship title: Functional testing of the cardiovascular system in CKD patients

Provenance Institute: Clinical Center University Sarajevo, Sarajevo -Bosnia and Herzegovina-

Receiving Institute: CNR-IFC-Clinical Epidemiology and Pathophysiology of Renal Diseases and Hypertension, Reggio Calabria -Italy-

Dr. Zayrkhan Turebekov, CSTF 922-2016

Fellowship title: Main practical skills in dialysis (hemo & peritoneal) and critical care nephrology

Provenance Institute: National Scientific Medical Research Center, Astana -Kazakhstan-

Receiving Institute: Bezmialem Vakif University Faculty, Istanbul –Turkey-

Dr. Akerke Jarbolova, CSTF 856-2016

Fellowship title: Renal Medicine and Transplantation

Provenance Institute: Research Institute of Cardiology and Internal Diseases, Almaty -Kazakhstan-

Receiving Institute: Barts Health NHS Trust, London -United Kingdom-

Dr. Maria Lipka, CSTF 923-2016

Fellowship title: Continuous renal replacement therapy and albumin dialysis in pediatric practice

Provenance Institute: Evex Medical Corporation, Tbilisi -Georgia-

Receiving Institute: Children's Memorial Health Institute, Warsaw -Poland-

Dr. Kloedina Bratja, CSTF 864-2016

Fellowship title: Acute and chronic renal diseases, Ultrasonography and Doppler, Kidney Biopsy and transplantation

Provenance Institute: University Hospital Shefqet Ndroqi, Tirana -Albania-

Receiving Institute: Azienda Ospedaliera Ospedali Riuniti di Bergamo, Bergamo -Italy-

Dr. Maria Alejandra Rosales, CSTF 885-2016

Fellowship title: Clinical practice in pediatric patients after renal transplantation and on renal replacement therapy

Provenance Institute: Medical University of Innsbruck, Innsbruck -Austria-

Receiving Institute: Hospital Universitario Vall d' Hebron, Barcelona -Spain-

Dr. Cenk Gokalp, CSTF 863-2016

Fellowship title: Advanced Ultrasonography Techniques for Kidney Transplanted Patients

Provenance Institute: Ege University School of Medicine Hospital, Bornova/Izmir -Turkey-

Receiving Institute: Technical University of Munich, Munich -Germany-
