

**ERA-EDTA NON-FINANCIAL ENDORSEMENT FOR EVENTS ORGANIZED  
BY THIRD PARTIES**

- 1) ERA-EDTA will grant its support by means of non-financial endorsement, to initiatives organized by third parties. A special form, posted online, is available to request ERA-EDTA endorsement (<http://web.era-edta.org/uploads/era-edta-endorsements-new-form.pdf>)
- 2) If the endorsement is granted the third party will be allowed to use the ERA-EDTA logo in all its printed/posted materials with the sentence “**ERA-EDTA’s endorsement is for the promotion of education in general, therefore the specific content of the event/course is the responsibility of the organizer**”. The logo will be provided by the ERA-EDTA. The ERA-EDTA logo must be present in all printed or online material related to this event. The third party must send any draft in which the ERA-EDTA logo will appear to the ERA-EDTA Headquarters for final approval BEFORE this is printed and/or put online.
- 3) ERA-EDTA will also post the information related to the event on a special section of its home page (<http://web.era-edta.org/meetings-endorsed-by-era-edta>). For this reason, third parties are required to provide the ERA-EDTA Headquarters with the logo and webpage of the event to be posted on the ERA-EDTA website.
- 4) In exchange the third party will agree to advertise ERA-EDTA and its activities by means of brochures; videos; web links; advertising page in the Final Program, etc. during the endorsed event.
- 5) The ERA-EDTA President will be in charge of granting the endorsement.
- 6) Granting the endorsement will be based on the scientific program of the initiative: if this is missing the endorsement cannot be given. The scientific program must be scientifically valuable or educationally significant and it must deal with renal or related topics.
- 7) Promotional events cannot receive ERA-EDTA endorsement at any time.
- 8) These are the minimum requirements: at least 50% of the speakers should be ERA-EDTA members; at least 25% of the speakers should be women.
