

CURRICULUM VITAE

Individual data

Name and surname:	Abduzhappar GAIPOV
Date of birth:	25 July 1980.
Place of birth:	Turkistan city, South-Kazakhstan area, Kazakhstan.
Practical status:	MD, Nephrologists of 1 st qualifying category.
Academic status:	Candidate of medical sciences (PhD) on Internal Medicine. Associate Professor of Medicine.
Current position:	Postdoctoral fellow, ISN research fellow

Work experience (key skills)

University of Tennessee Health Science Center, Division of Nephrology, Department of Medicine, Memphis, TN, USA, January 2017 – present time, Postdoctoral Fellow, ISN Research Fellowship

- Researcher in the field of Nephrology (Clinical Epidemiology of CKD)

National Scientific Medical Research Center, Astana, October 2012 – present time, Head of the Department of Extracorporeal Hemocorrection and the Leading scientific employee of Nephrology and Rheumatology Department

- Treatment of patients with AKI and ESRD
- Renal pre- and post-transplant patient care
- Dialysis and CRRT procedures: HD, HF, CVVHF, HDF
- Plasma procedures: plasmapheresis, cytopheresis, plasmatorption
- Liver support treatment (M.A.R.S. therapy – albumin dialysis)
- LDL – apheresis (H.E.L.P. therapy)
- Consultation of CKD patients in the other departments, medical centers and clinics.
- Consultation of CKD patients via telemedicine from regions of Kazakhstan.
- Kidney biopsy with ultrasound control
- Head of the educational course of extracorporeal blood purification.
- Speaker of nephrology and efferent therapy educational program
- Researcher in the field of Nephrology

Konya (Selcuk) University Meram School of Medicine, Department of Internal Medicine, Division of Nephrology, Konya, Turkey, April 2011 – September 2012, Researcher, Fellow of ERA-EDTA.

- Postdoctoral Research Study
- Training and practice in nephrology, dialysis and renal transplantation

National Scientific Medical Research Center, Astana, November 2008 – March 2011, the physician nephrologists of Department of Efferent Therapy and the leading scientific employee of a Department of Internal Medicine (from 01.01.2010)

- Treatment of patients with ARF and ESRD.
- Dialysis and CRRT procedures: HD, HF, CVVHF, CVVHDF
- Plasma procedures: plasmapheresis, plasmaabsorbtion.
- Consultation of patients with CKD in the other departments.
- Kidney biopsy with ultrasound control.

National Scientific Medical Research Center, Astana, November 2005 – November 2008, the post-graduate student of Department of Internal Medicine.

- Scientifically research study (dissertational work).
- Treatment of patients on therapeutic profile (with internal diseases).
- Consultation and conducting of patients with kidneys diseases.
- Work in out-patient clinic as a nephrologist.
- Kidney biopsy with ultrasound control (only as assistant)

The South-Kazakhstan Regional Clinical Hospital, Shymkent, July 2004 – November 2005, the physician of “nephrology and chronic hemodialysis” departments.

- Treatment of patients with CKD, AKI and ESRD
- Night watches in therapeutic departments.
- Formation of vascular access for dialysis (only as assistant)

Education

- 1. ISN-ANIO CNC Program (online certified course on Renal Pathology provided by International Society of Nephrology),** from 04.05.2015 until 30.04.2016
- 2. ERA-EDTA YNP Advisory Program** (remote, communication based professional and career development program.), from 01.02.2015 - 31.01.2016. Adviser from Memphis, TN, USA
- 3. Konya (Selcuk) University Meram School of Medicine, Department of Internal Medicine, Division of Nephrology, Konya, Turkey, 03.04.2011 – 03.10.2012,** Research Fellow of ERA-EDTA (Long-Term Fellowship Grant Award) - received certificate of [Fellow of European Renal Association](#).
- 4. National Scientific Medical Research Center, Astana, 01.11.2005 – 30.10.2008,** the post-graduate student of Department of Internal Medicine – received scientific degree of Candidate of Medical Science.

- 5. Akhmet Yasawi Kazakh-Turkish International University Faculty of Medicine, Shymkent, 01.09.2003 – 30.06.2004** internship on a specialty of internal medicine – received diploma of therapist.
- 6. Akhmet Yasawi Kazakh-Turkish International University Faculty of Medicine, Shymkent 01.09.1997 – 30.06.2003**, student of Medical faculty – received diploma of medical affair.

Additional education and trainings

- 1. Republican Center for Health Development under the Ministry of Health, Astana, 20.06.2016 - 24.06.2016**, “Ethics and Good Clinical Practice in the Field of Health Science” (54 hours)
- 2. CRO-CUS Medical, Astana, Kazakhstan, 22.10.2013**, Introduction to Good Clinical Practice (5 hours)
- 3. AkademiKA® International, Turkey, Istanbul, 17.06.13 – 21.06.13**, certificated course “Good Clinical Practice (GCP) Principles” (72 hours)
- 4. Lithuanian University of Health Science, Department of Urology and Nephrology, Kaunas, Lithuania, 20.09.10 – 30.09.2010**, Training course under the program: Key Issues of Kidney Transplantation (72 hours)
- 5. Novosibirsk Scientific Research Institute of a Pathology of Blood Circulation, Department of Extracorporeal Detoxication, Novosibirsk, Russia, 11.05.2010 – 22.05.2010**, Training course under the program: Extracorporeal detoxication in the intensive care unit (72 hours)
- 6. Moscow Regional Research Clinical Institute, Faculty of Education of Doctors, Moscow, Russia, 16.03.2009 – 04.04.2009**, Training course under the program: Actual problems of treatment of patients after kidney transplantation (108 hours)
- 7. National Scientific Medical Research Center, Department of Post Graduate Education, Astana, Kazakhstan, 03.03.2008 – 01.04.2008**, Thematic education on nephrology “Pressing questions of extracorporeal methods of detoxication” (156 hours)
- 8. Sechenov Moscow Medical Academy, Department of Nephrology and Hemodialysis, Moscow, Russia, 07.05.2007 – 19.06.2007**, certificated course on nephrology (216 hours)
- 9. Almaty State Institute of Education of Doctors, Almaty, Kazakhstan, November-December, 2004** primary specialization on clinical nephrology (312 hours)

Attendance of international conferences and congresses, travel grants

1. 54th ERA-EDTA Congress, June 3-6, 2017, Madrid, Spain.
2. The 36th Annual Meeting of the Korean Society of Nephrology, June 2nd-5th, 2016, Seoul, South Korea, (Winner of Travel Grant) (*oral presentation*).
3. 53rd ERA-EDTA Congress, May 21-24, 2015, Vienna, Austria (*Poster presentation*)
4. IV International Kazakh-Turkish Nephrology Congress, 17 – 19 March, 2016, Shymkent, Kazakhstan (*speaker*).
5. 2nd Azerbaijan – Turkish Nephrology Congress, 8-10 October, 2015, Baku, Azerbaijan (*Invited Speaker*)

6. Renal Week 2015 (XIV ERA-EDTA CME Course and 33rd International Society of Blood Purification Congress), 17 - 19 September, 2015, St. Petersburg, Russia
7. ITC Cardio Renal Summit 2015 - June 05-06, 2015, Istanbul, Turkey
8. 52nd ERA-EDTA Congress, May 28 - June 1, 2015, London, United Kingdom (Winner of ERA-EDTA Travel Grant), (*Poster presentation, selected best abstract*).
9. 1st Congress of the Turkic World Transplantation Society conjoined with III. International Kazakh-Turkish Nephrology Congress – 20 – 22 May, 2015, Astana, Kazakhstan (*Oral and poster presentations, invited speaker*).
10. World Congress of Nephrology (WCN 2015), 13 - 17 March, 2015, Cape Town, South Africa (Winner of ISN Travel Grant), (*Poster presentation*).
11. 14th Congress of the Middle East Society for Organ Transplantation, 10-13 September, 2014, Istanbul, Turkey.
12. 21th Congress of IPPNW, 25-30 August, Astana, Kazakhstan.
13. II. International Kazakh-Turkish Nephrology Congress – “Renal Replacement Therapy: From Standards to Practice”, 12 – 14 June, 2014, Astana, Kazakhstan (*Oral presentation, translator*).
14. Updated Kidney Diseases, Hypertension and Transplantation Meeting, 9 – 13 April, 2014, Sapanca, Turkey
15. 30th National Congress of Nephrology, Hypertension, Dialysis and Transplantation, November 13-17, 2013, Antalya, Turkey
16. 11th European Peritoneal Dialysis Meeting (EuroPD), 11-14 October 2013, MECC, Maastricht, the Netherlands.
17. World Congress of Nephrology, 31 May – 4 June, 2013, Hong Kong (Winner of ISN Travel Grant), (*Poster presentation*).
18. International Conference “Therapeutic Apheresis – From History via Successful Application to the New Developments” 100 Years of the First Plasmapheresis, 1913 – 2013, April 26-28, Saint-Petersburg, Russia.
19. 1st International Kazakh-Turkish Nephrology Workshop, April 19-20, 2013, Almaty, Kazakhstan (*Oral presentation, translator*).
20. 29th National Congress of Nephrology, Hypertension, Dialysis and Transplantation, November 18-23, 2012, Antalya, Turkey (*Oral presentation, Winner of the Turkish Society of Nephrology First Best Abstract Award*).
21. EURECA-m CME Course “Cardiovascular Problems and Solutions in Chronic Kidney Disease”, September 7-8, 2012, Ankara, Turkey.
22. CME course "Peritoneal Dialysis Workshop (in cooperation with EuroPD)" at 49th ERA-EDTA Congress, May 24-27, 2012 Paris, France (Winner of ERA-EDTA Travel Grant), (*Poster presentation*)
23. 5th ISN Update Course in Nephrology, 9 – 12 December, 2011, Dubai, UAE (*Poster presentation*).
24. CME course "Cardiorenal Syndrome (CRS): A crosstalk between cardiologists and nephrologists" October 20, 2011 Antalya, Turkey (Winner of ERA-EDTA Travel Grant), (*Poster presentation*)

25. VIII International Nephrology Update Course "Moscow Renal Week 2009", November 18-22, 2009, Moscow, Russia. (Winner of ERA-EDTA Travel Grant).
26. World Congress of Nephrology 2009, May 22-26, 2009 Milan, Italy.
27. CME course "Renal Transplantation and Nephropathology Update", November 28-29, 2008, Saint-Petersburg, Russia (Winner of ERA-EDTA Travel Grant).
28. The courses of the 6th Renal Failure Academy. June 4 - 7, 2008, Constanta, Romania. *15 hours of European external CME credits.*
29. Aphaeresis and Dialyze conference 2007. December 6 - 7, 2007, Berlin, Germany.
30. ISN NEXUS Symposium: "Hypertension and the Kidney", November 29 - December 2, 2007, Vienna, Austria (*Poster presentation*). *12 hours of European external CME credits.*
31. 18th Danube Symposium on Nephrology conjoined with 1st Congress of the Nephrology Association of Serbia & Montenegro. September 26 - 30, 2006, Novi Sad, Serbia (*Poster presentation*).
32. VI congress of scientific association of Russian nephrologists. November 14-17, 2005, Moscow, Russia.

Scientific Research Study and Academic Awards

Academic Title Award: Associate Professor of Medicine

By order of the Committee for Control of Education and Science, under the Ministry of Education and Science of the Republic of Kazakhstan (decision #1628 on December 10, 2015) Dr A. Gaipov was awarded with academic title of Associate Professor of Medicine.

ERA-EDTA Young Nephrologists' Platform (YNP) Advisory Program:

Program was started on 01.02.2015.

Program ended on 31.01.2016

This carrier development program aims to support young professionals to improve and build a successful career in Nephrology. It consists of an exchange of experiences between the **Advisee** (Dr. Abduzhappar Gaipov) and **Advisor** (Dr. Miklos Z Molnar). The advisee is a developing junior professional or trainee, and is paired with an advisor, a senior professional who has experience in the area that the advisee is interested.

Current Advisor is [Dr. Miklos Z Molnar](#), MD, PhD, FASN, Associate Professor of Medicine from Division of Nephrology, Department of Medicine University of Tennessee Health Science Center, Memphis, TN, USA.

Research Fellowship (Granted by ERA-EDTA):

Title of the scientific project: Acute Kidney Injury after Cardiac Surgery: the ways of its prevention and treatment (**Scientific supervisor:** Prof. Dr. Suleyman TURK from Selcuk University, Meram School of Medicine, Konya, Turkey).

The research project was successfully finished. The results of the study were presented as oral and poster presentations in National Congress of Turkish Society of Nephrology (2012,

Antalya, Turkey), World Congress of Nephrology (2031, Hong Kong) and 50th ERA-EDTA Congress (2013, Istanbul, Turkey)

This study received certificate of “First Best Abstract Award of Turkish Society of Nephrology”.

Related abstracts:

- *Markers Predicting Acute Kidney Injury Progression after Cardiac Surgery (presented in ISN congress 2012, as poster presentation and in TSN congress 2012, as oral presentation)*
- *Ischemia Modified Albumin and Acute Kidney Injury in Pump-On Cardiac Surgery (presented as poster presentation in ERA-EDTA congress 2013, as poster presentation)*
- *Impact of On-Pump Circulation on Hemotologic Parameters of Patients with Acute Kidney Injury after Open Heart Surgery (presented in ERA-EDTA congress 2015, as poster presentation)*

Related manuscript “*Serum Uric Acid May Predict Development of Progressive Acute Kidney Injury after Open Heart Surgery*” was published in Renal Failure.

Dissertational (Doctoral) work:

Title of study is: Estimation of Haemodynamics Criteria of Renal Failure Progressing.

This doctoral thesis is completed, consists of introduction, three sections (review of literature, materials and methods, results), clinical examples, conclusions, practical recommendations, and list of used references (203, from them 136 in foreign language). Dissertational work is stated on 117 pages, illustrated by 38 tables and 34 figures. Published 12 related articles.

Defense of dissertation took place in Karaganda State Medical Academy (Karaganda, Kazakhstan) on 20th of December 2008 at 15 o'clock at session of dissertational council D 09.17.03 (code: 14.00.05 - Internal Diseases).

Scientific supervisors: Saltanat Tuganbekova – Doctor of Medical Sciences, Oringul Narmanova – Candidate of Medical Sciences.

Acceptance: By the decision of the Control Committee in Education and Science under the Ministry of Education and Science of the Republic of Kazakhstan Candidate’s degree in Medical Science (equivalent to PhD) is conferred on 22nd of April 2009.

Multicenter projects

1. **Co-investigator** in: Multinational Observational Study on Clinical Practices and Therapeutic Management of Mineral and Bone Disorders in Patients with Chronic Kidney Disease Stages 4, 5, and 5D: The **OCEANOS** Study. Study was completed in 2014.
2. **Investigator** in: International Society of Nephrology (ISN) 0by25 Initiative Global AKI Snapshot. Study was completed in 2015.
3. **Principal investigator** in: Assessment of nutritional status in patients with chronic renal failure on hemodialysis: **STATUSNUTRIO**. Ongoing study

H-index and citations (updated on 13.06.2017)

Articles in [Google Scholar](#): 110, citations: 454, h-index: **12**

Articles in [Scopus preview](#): 64, citations: 271, h-index: **10**

Articles in [Web of Science](#): 56, citations: 233, h-index: **9**

Current research area

Nephrology, Dialysis, Renal Transplantation, Stem Cells, Renal Pathology and Physiology, Renal Regeneration, Acute Kidney Injury, Intensive Care Nephrology, Cardio Renal Syndrome, Blood Purification, Epidemiology of Renal Disease.

Research skills

Technical:	Renal Biopsy, Extracorporeal blood purification procedures
IT:	Microsoft Office, Adobe Photoshop, End-Note
Statistical:	SPSS, Statistica (StatSoft), Med-Calc
Publication:	Manuscript preparing, writing, editing, submission, review and revise.
Proposals:	Generation and preparation of scientific projects

Society Memberships

- American Society of Nephrology - 2017
- Society of Nephrologists, Dialysis and Transplant Physicians of Kazakhstan, Member and General Secretary – since 2016 (www.nephro.kz)
- Turkic World Transplantation Society – since 2015
- ERA-EDTA Young Nephrologists Platform – since 2012
- International Society of Nephrology (ISN) – since 2012
- ISN regional member and Young Nephrology Committee member for NIS and Russia,
- European Renal Association, European Dialysis and Transplant Association (ERA-EDTA) – since 2009
- Kazakh Nephrology Association – since 2006

Editorial Process and Areas of Expertise

 - Member of the Audit Committee of Experts on the outpatient hemodialysis centers
 - **Board Member of Control Committee in Education and Science under the Ministry of Education and Science of Republic of Kazakhstan**
 - Member of the experts and reviewer for field of medical sciences

Teaching experience

Head of the educational course of extracorporeal blood purification and senior lecturer of nephrology and efferent therapy educational program in Department of Post Graduate Education, National Scientific Medical Research Center since 2012.

Teaching experience in:

- Postgraduate Continues Medical Education Program for physicians – since 2009 (Extracorporeal Blood Purification, Renal Replacement Therapy, Clinical Nephrology, Renal Transplantation) – up to 864/16 (hours/weeks)
- Postgraduate Continues Medical Education Program for resident students – since 2012 (Extracorporeal Blood Purification, Renal Replacement Therapy, Intensive Care Nephrology) – up to 216/4 (hours/weeks)
- Medical Education Program for internship students (Astana Medical University) – since 2015 (Module Nephrology) –164/3 (hours/weeks)
