Short description of the Society (preferably no more than 2000 characters):

We happy to welcome You on our website of "Republican Public Association «Society of Nephrologists, Dialysis and Transplant Physicians»".

Our association makes a great contribution to development of practical healthcare of the Republic of Kazakhstan and renders assistance in medical and educational work of nephrologists.

According to our Charter one of the main directions of activity of "Republican Public Association «Society of Nephrologists, Dialysis and Transplant Physicians»" is development support of all fields of nephrological service (clinical nephrology, dialysis and transplantology) in the Republic of Kazakhstan, where one of the main components of set tasks implementation is informational support of nephrologists, dialysis' physicians, transplant surgeons as well as provision of relevant information for them. Due to this fact we have decided with one voice to start an official website.

"Society of nephrologists, dialysis' physicians, transplant surgeons of Kazakhstan" Republican Public Association gets to a new level. We sure that in virtue of our cohesive and professional team as well as strategic vision in the field of nephrology, dialysis and transplantology it will be effectively effected on health of Kazakhstan population and an important contribution to realization of Nation Plan "100 certain steps for realization of 5 institutional reforms" will be made.

Welcome!

Sincerely,

President of "Republican Public Association «Society of Nephrologists, Dialysis and Transplant Physicians»"

Professor Saltanat Tuganbekova
