

Association of nephrology, dialysis and transplantation of Bosnia and Herzegovina

Prof Dr Halima Resić
**President of the Association of nephrology,
dialysis and transplantation**

- 
- **Renal Association of nephrologists of Bosnia and Herzegovina, is established 2002. as a voluntary, non-profitable organization of professionals involved in nephrology, dialysis and transplantation.**
 - **Aimes of the Association are: improving nephrology as a discipline, organizing public awareness programs, organizing expert meetings, seminars, symposiums, congresses and discussions and continuous medical education.**

- 
- A decorative vertical bar on the left side of the slide, featuring a colorful triangle at the top and a blurred background of green, blue, and purple squares. The text is positioned to the right of this bar.
- **Also, association of nephrologists is continuing establishment of relations with the Renal Association in region and other countries.**

- 
- A decorative vertical bar on the left side of the slide, featuring a colorful triangle at the top left corner. The bar has a gradient background with shades of green, blue, and purple.
- **There are 50 nephrologists in Bosnia and Herzegovina.**
 - **Every year we organise two nephrology schools with uptodate in nephrology , dialysis and transplantation.**
 - **CME Courses, supported by ERA-EDTA, are organised every two years.**

Udruženje ljekara za nefrologiju, dijalizu i
transplantaciju bubrega u Bosni i Hercegovini
