**Short description of the Society (preferably no more than 2000 characters)**

The Romanian Society of Nephrology was founded in 1991, at the initiative of a few professors and doctors from different cities from Romania, aimed by the intention to make visible their specialty and to help and create opportunities for young doctors, like:

- Active participation in the decision making policies of the Association
- Special discounted registration fees at the Congress and other meetings
- Nefrologia Magazine subscription
- Grants for attending scientific meeting for nephrologist under 35
