No

Short description of the Society (preferably no more than 2000 characters)

NGO "Ukrainian Association of Nephrologists & Kidney Transplant Specialists" (UAN & KTS) is an independent, non-profit organization. Our members are busy healthcare professionals who volunteer their time and expertise. The UAN & KTS represents over 300 men and women in the field of nephrology and kidney transplant from Ukraine.

The UAN & KTS's mission is to reduce the burden of CKD. The main goal of the UAN & KTS is to promote the organization and improve the quality of medical and preventive care for CKD, ESRD and kidney transplant patients; the implementation of applied and fundamental research in the field of nephrology and kidney transplantation.

The main areas of activity of the Organization are:

- *Standardizing quality of care;*
- *Increasing the professional level of health professionals;*
- *Implementation of international cooperation;*
- *Disseminating evidence-based scientific knowledge to nephrology and kidney transplant professionals due to let them take better care of their patients.*
